12, 1 'ALCROFTS' Mai Street , Maroochydore

TAKE YOUR PICK THE PENTHOUSE OR THE GROUND FLOOR

Located within the evergreen Maroochy Waters precinct and only 8 years young, the Alcrofts building complex is a stand out along the Bradman Avenue strip.

With high spec finishes ahead of its time the original developers have decided to let two of their three remaining apartments go. Situated on the shores of our stunning Maroochy River and only a stone's throw from Chambers Island, a truly relaxing lifestyle is on offer for the lucky new owners.

The complex offers side street access with plenty of parking available, a rarity along Bradman Ave. Both apartments offer enough separation from the main road to allow many relaxing afternoons reading on the balcony or entertaining in the courtyard or rooftop terrace.

Apartment 12 is located on the top floor and can be accessed by either the stairs or the lift and perfectly positioned to enjoy the complex pool as if it were in your own backyard. Everything within the apartment is generously sized with two large bedrooms, roomy study, oversized kitchen complete with stone tops and stainless steel Smeg appliances, a hidden surprise waits at the top of the internal stairs, as you are greeted with a room large enough to be used as either a second living, games room/bar or even a third bedroom, opening on one side to a private balcony and on the northern side a very large roof top terrace with magical river views.
