The modern kitchen has everything the home chef needs, including an electric cooktop, stainless steel appliances and even an inbuilt wine rack for storing your beverages, to enjoy as the sun goes down.

The extra wide glass doors open up to the private undercover balcony, which has plenty of room for the BBQ, dining table and sun lounges.

The resort style master bedroom offers a large walk-in robe and access to the dual entry bathroom, with its double vanity, spa bath/shower and toilet.

With ducted air-conditioning throughout, stylish furnishings and its modern design and colour scheme, this property wants for nothing.

If you want more adventure than relaxing in the air-conditioned living area or enjoying the sea breezes and looking out to the Bay water while sitting on the balcony, the famous and historic Urangan Pier is just a short stroll away. A walk to the end of the pier will provide you with spectacular views of Hervey Bay and the chance to see schools of fish, stingrays and dolphins.

If fishing is more to your liking, the Urangan Pier is one of the best fishing spots, and the perfect place to catch whiting. You can also prepare a picnic or enjoy fish and chips by the beach or in the parkland around the pier. Or why not spend time exploring the Urangan precinct with its boutique shops, alfresco and fine dining restaurants, Reefworld Aquarium, Botanic Gardens and of course the seemingly endless sandy shoreline.

Or why not take a walk or pushbike ride along Urangan's landscaped environmental walk and cycle corridor following the former rail line, which once connected the Urangan Pier with Pialba's Central Business District.

With Hervey Bay's Great Sandy Straits Marina also not far away offering marina berths, alfresco and fine dining restaurants and retail shops, your choices really are endless.

Hervey Bay, the whale watching capital of Queensland, boasts calm waters for swimming and water sports all year round. Hervey Bay also has both public and private hospitals, major retail shopping centres, along with airport facilities providing direct links to Brisbane and Sydney.
