183 University Way, Sippy Downs

## PACKED TO THE RAFTERS - WITH FAMILY FEATURES THAT IS! OPEN SAT 11-11.30AM & 1-1.30PM

This beautiful property comes packed with the features you would ideally imagine for a large family home. You can buy it to live in or buy it for a long term investment with a lease in place. It's getting harder to find a property with secure, long term tenants in place. So if you choose to buy this property for investment you will have the option of a guaranteed 3 year or a 5 year lease depending on what suits you best.

This genuine family home is not only a great place for play; it also has the bonus of a large open plan family living with a formal lounge and great sized bedrooms. The large galley style kitchen opens over the open plan designed living room right out to the undercover alfresco area and generous yard. Being a big 700m<sup>2</sup> block means it has dual side access and faces to natural bushland which gives the property privacy, something that you don't come across very often in suburban areas anymore.
