PLENTY OF BOXES TICKED ON THIS ONE!

Only nine rooftops back from the calm water of the Pumicestone Passage in Golden Beach you will find this low-set, low maintenance home that has been extensively and thoughtfully renovated from top to bottom!

The current owners have poured their hearts into this project and no expense has been spared to create a private and secure oasis just a few minutes' walk to the beach.

The home has a modern beach theme with plenty of natural light, a neutral colour palette, white shutters and low maintenance light timber coloured vinyl flooring.

Approximately four years ago the house was stripped back to 4 walls allowing for new plumbing, electricity, internals and flooring and the owners created a family friendly floorplan with air-conditioned open plan living.

The kitchen is modern with ample bench and cupboard space, a breakfast bar, stainless steel appliances and overlooks the backyard.

Four bedrooms in total and each with robes, ceiling fans and TV points. The master bedroom has been cleverly set apart from the other bedrooms and features a walk-through robe and modern ensuite.

A large undercover patio at the rear of the home will soon become a family favourite space to relax and unwind or watch the children play in
