

## LUXE BRAND NEW HOME IN PRIVATE STREET

The designers of this new residence lead in design concepts ... many hours were spent at the design table to ensure the orientation of this property was perfect. It all started with the brief to create a masterpiece, all on one level. The next step was to wrap this masterpiece around a stylish purpose built home with a low maintenance lifestyle. The result is open plan living which overlooks a private backyard where your only decision to make is, do we dine in tonight? Or do we dine out? Both are possible with clever private indoor and outdoor zones.

### The Main Residence

## The Construction

MGP12 termite treated stick frame, built by hand. Every piece of timber was cut to be millimetre perfect. This is not a prefab frame. It was all built on site with local materials, and cut to perfection by local master trades

Engineer designed salt & pepper exposed aggregate driveway with internal access from garage into residence.

Hand rendered external finish to all walls by highly skilled local tradesman

Statutory 6 year QBCC construction warranty applies to the master built residence

## The Site

405m2 allotment with large rear area for family pets or garden

Construction was thoughtful and carried out to ensure a stair free low maintenance home

'Penthouse like' living. It is a luxurious home, a special location and the private, secure land area offers a unique lifestyle. Space enough to move, but not too big to become a chore

Rear section is exceptionally private and fully fenced with playful areas for the extended family and the precious family pet.
