

CHARMING FAMILY ENTERTAINER

4 2 2 375m2

8 Charm Street is a custom-built home designed for exciting, low-maintenance living. Every room has been thoughtfully crafted to serve a purpose, resulting in zero wasted space. With extra-high ceilings and elegant finishing touches, we are confident this home will exceed your expectations.

There are many, many houses in Harmony but very few homes. This home has been spec'd up to the highest standard and features finishes consistent with those found in multi million dollar residences.

Internally, the eye is drawn up to experience the grandeur of high vaulted ceilings that elevate the main living space and add an element of style. These soaring ceilings create an open, airy ambiance and flood the home with natural light. Classic architectural charm is further enhanced with the finer details, including stunning stone benchtops and chic feature lighting.

A touch of the lush outdoors is drawn in through a feature window in the living room, perfectly framing vibrant palms to bring natural light and greenery into the home. Stepping outside, neutral grey tiles create the perfect under roof space to enjoy year round. The sparkling in ground swimming pool is the showpiece of this area.
