ARCHITECTURALLY DESIGNED COASTAL RETREAT – GOLDEN BEACH PRESTIGE LIVING

A rare opportunity to secure a near-new, architecturally designed residence in one of Golden Beach's most coveted addresses. Completed in October 2023, this exclusive single-level home blends bespoke finishes, refined design and flawless functionality, setting a new standard in coastal luxury.

Behind the secure gated entry, the home opens to light-filled interiors where timeless elegance meets modern convenience. Sky-high ceilings immediately create a sense of space and grandeur, enhancing the natural light and airy coastal atmosphere. At its heart, a designer kitchen stands as a true centrepiece — an oversized stone island with seating beneath a sunlit Velux skylight creates a welcoming hub for family and friends. Elegant gold hardware, a bespoke timber rangehood and warm timber accents bring depth and sophistication, while the textured tiled splashback adds a refined architectural edge.

Every detail has been carefully considered — from the integrated Miele appliances, built-in coffee machine and fridge/freezer, to the soft-close cabinetry and seamless finishes. The fully appointed butler's pantry with double sink, abundant storage, integrated dishwasher and additional preparation space makes entertaining effortless, ensuring this home is as practical as it is beautiful.
