STUNNING LAKEFRONT HOME IN A QUIET CUL-DE-SAC

Presenting a truly rare opportunity to secure a beautifully appointed low-set brick and tile home on tranquil Lake Magellan. Tucked away in a quiet cul-de-sac on a generous 871m² block with double gated side access, this residence offers the perfect balance of privacy, style, and relaxed waterfront living.

From the moment you step inside, you'll feel at home. Expansive open-plan living areas are bathed in natural light and grounded by warm engineered timber flooring, creating an inviting atmosphere for both everyday living and entertaining. At the heart of it all, the newly renovated kitchen is a true showpiece — with soft neutral tones, custom cabinetry with ambient lighting, a stone-topped island bench, generous sized walk in pantry, gas cooktop, stainless steel oven, and dishwasher — all designed to bring family and friends together.

From here, enjoy north-facing panoramic views across the wide expanse of Lake Magellan, making everyday living feel like a retreat.

Sliding doors from both living areas open to a covered alfresco patio, perfect for entertaining or simply relaxing while overlooking the lush, landscaped backyard, the magnesium inground swimming pool, and the sparkling lake beyond.

From here, stroll down to the water's edge, launch your kayak, relax by the water, or be lucky enough to feed the resident swans that visit regularly.
