BEST VALUE RENTAL INVESTMENT - UNDER CONTRACT!

Welcome to 2/19 Netherton Street, Nambour — undeniably the best value rental investment currently available on the Sunshine Coast. With housing demand surging and property values continuing to rise, opportunities like this are becoming increasingly rare. Positioned on the middle floor, this modern 2-bedroom unit offers exceptional convenience, sitting just 400 metres from Nambour Hospital and within the thriving medical precinct.

The Sunshine Coast continues to experience a critical shortage of rental properties, particularly for Queensland Health staff who require accommodation close to the hospital. This strong and consistent rental demand ensures long-term investment security and impressive returns. Whether you're a first-home buyer looking to break into the market or a savvy investor seeking unmatched value, this property stands out as a smart and affordable choice.

Inside, the unit features a modern kitchen, an open-plan living and dining area, and a private middle-floor balcony perfect for catching the breeze. With a current rental appraisal of \$490 per week plus a rental guarantee, this property delivers the kind of steady income and growth potential that is increasingly hard to find. Nambour remains one of the last pockets on the Coast offering genuine value for money — and this unit proves it.
