A central bathroom serves the rest of the bedrooms while for those who work from home or need a quiet space for study, the study nook is strategically positioned in the middle of all bedrooms, offering a built-in desk.

DOWNSTAIRS

At the heart of the home lies well equipped, open-plan kitchen with all the necessary, modern, appliances, such as gas cooktop, electric oven, dishwasher and ample cupboard and pantry space. Furthermore, the kitchen area captures plenty of natural light from the outdoor patio which lightens up the space elegantly.

The dining area and living space are located adjacent of the kitchen and are spacious enough for the families to enjoy, perfectly connecting and overlooking the courtyard. The main air-conditioning unit is located in the living area, strategically supporting the living space and the kitchen area.

At the entrance of the property, there is a separate laundry area with an additional toilet.

An additional storage space is located under the stairs on the ground floor.

Single lockup garage with a remote electronic control is spacious enough to store some of the family's good as well.
