SOLD OFF MARKET | DREAMS SECURED BEHIND CLOSED DOORS

Sold Off Market By Austin @ Blue Moon Property | Dreams Secured Behind Closed Doors

An incredible result! This near-new home delivered an outstanding result for the sellers - allowing them to move quickly and secure the next dream chapter for their young family.

Designed for effortless modern living, the home combines soaring raked ceilings, oversized windows and seamless indoor-outdoor flow to create a light-filled, welcoming atmosphere from the moment you step inside. At the heart of the home, a beautifully appointed kitchen with custom island seating, premium BOSCH appliances and quality finishes anchors the open-plan layout with style and functionality.

Thoughtfully designed with multiple living zones, feature bathrooms, ducted air-conditioning and a low-maintenance yard with room to personalise, this is the kind of home that simply feels good to be in - and one the buyers fell in love with immediately.

If you're considering making a move and would love to achieve an outstanding result without the stress of constant open homes and a lengthy campaign, I would love to help. Through a carefully built buyer database and strategic off-market approach, exceptional results can still be achieved - quietly, efficiently and with minimal disruption to your day-to-day life.
