HOT PROPERTY ALERT! IS THIS THE SUNSHINE COAST'S CHEAPEST RIVERFRONT APARTMENT?

No, the price is not a misprint; we truly believe that this genuine 2 bedroom, en-suited apartment is THE cheapest unit on the market today which can boast of having a direct view of the sparkling Maroochy River!

Situated on the 2nd level of the ever-popular Banyandah Towers, the property is only a few minute's stroll across to Sunshine Plaza, Homemaker centre and cinema; the restaurants & cafes at the Plaza and in the thriving Ocean Street precinct; as well as the CBD.

Investors will take note that there are already good tenants in place (the unit is currently leased at \$330 per week), and the comparatively low Body Corporate contributions; particularly keeping in mind that the complex is very well maintained and has even been freshly re-painted in the past year.

The unit is tidy "as-is", but should the buyer want to look to unlock even more value it could easily be refurbished or renovated to suit your individual taste and budget.

Be quick to pounce on the top-shelf but absolute entry-level "bargain buy"!
