1 Rakumba Place, Mountain Creek

## RENOVATION ROYALTY POTENTIAL GALORE

Set on a pan flat 629m<sup>2</sup> corner allotment in an established blue chip area of Mountain Creek, this three bedroom gem requires a little polishing, but is packed with the unlimited potential that'll keep buyers lying awake at night thinking of the property until they fall asleep and dream about it. Perfectly positioned just a stone's throw to the sparkling waters of the Mooloolah River canal and opposite an enormous green park, 1 Rakumba Place offers that rare real estate opportunity; the chance to secure a property in an enviable location that can be sculpted into a dream home, at a price that definitely won't break the bank.

Inside, the steel framed house enjoys lots of natural light and benefits from a surprisingly spacious single level floor plan. The kitchen has plenty of cupboards/benches and enjoys seamless access to the adjacent dining space, a huge open plan living area, as well as the north facing outdoor patio for those who enjoy the al fresco lifestyle. This end of the home aligns perfectly to catch the cool breeze off the water but is also well serviced by ceiling fans and A/C.

Down the hallway, the three bedrooms enjoy good separation/privacy from the living areas and are well and truly oversized, dwarfing the 3m x 3m specs we see in so many new build properties. All three feature an abundance of built in wardrobe space (as seen in the pictures) and are in close proximity to the tiled bathroom complete with shower, separate bath and modern vanity.
