

8 Mulgani Street, Warana

SIMON SAYS... SOLD FOR A PREMIUM SALE PRICE!

What a great location- just a short walk to Warana Beach and the choice of 2 local shopping centres located at both ends of the street.

Situated on a large level 573 m2 block this lowset brick and tile home has loads of potential for future renovations, extensions, or keep as is and add this property to your investment portfolio.

There's a large 10 X 4 meter covered outdoor entertaining area which overlooks the private backyard with well-established landscaped gardens plus side access to the backyard with room to build a shed or secure parking for a small boat, or caravan.

There's plenty of room for the kids and pets to play or the inground pool.

Beachside Kawana is a hive of activity at present with plenty of major construction and development taking place. There's a feeling around the area "out with the old and in with the new" – with a number of the older original beachside homes being removed and replaced with substantial modern residences.

If you've been thinking about making the move to beachside – now's the time to take the 1st step.
