30 Tibrogargan Circuit, Mountain Creek

A BRIGHT FUTURE FOR YOUR FAMILY

Situated in the ever popular Brightwater Estate, Kelly Rowling is proud to present 30 Tibrogargan Circuit. This 4 bedroom, 2 bathroom residence is the ideal family home. Directly across from one of the many parks, and in the catchment of one of the areas best schools, this is the perfect place to raise your family.

The home is a single storey brick and Colourbond build, with a rendered façade and double garage fronting the property. As you enter under the porch, bedroom 4 and the formal lounge are to your left. Having a bedroom at the front of the property like this is ideal for occasional guests or the older teenager who wants their own space. The formal lounge is an excellent size, and would not take much imagination to make it a media/theatre room.

The tiled flooring continues under the high ceilings, with neutral tones painted throughout. There is direct entry to the home from the remote garage, and bedrooms 2 and 3 sit either side of the family bathroom and laundry. All of the bedrooms have built in robes and ceiling fans, as well as excellent quality carpets. The bathroom is well appointed with a separate shower and bath tub, with the toilet having a separate entry. This is an understated benefit, especially for families with younger children.

From here, the home opens out to the open plan kitchen and family

room. Big enough for both seating and dining, this excellent space has an air conditioner and sliding glass doors to access the al fresco area. This makes indoor/outdoor living a breeze, and with everything visible from the kitchen, ideal to watch the kids whether inside or out.

The kitchen itself is well appointed, with the all important golden triangle layout, and a spacious built in pantry, perfect for a growing family. Stainless steel appliances and a server bar to the family area complete this functional and modern kitchen.

The master bedroom is the perfect place for the parents to unwind at the end of a long day. There's an air conditioning unit in here, and ample space for every outfit in the walk in robe. Direct access to the al fresco area means you can have a quiet drink at night, or sit out and enjoy some sun over breakfast. The ensuite means you don't have to lose your expensive shampoo to the kids latest creation, and the sense of space gives a sophisticated feel to this master suite.

This complete package is on a 467m2 corner block, where there is still room for a pool, or you can leave with the expansive lawns for the children and pets to run and play. With the beaches of Mooloolaba just 5 minutes away and kilometers of walking and biking tracks on your doorstep, it's not hard to see why demand for properties in Brightwater are so high. And with everything presented so perfectly, we don't expect 30 Tibrogargan Circuit to last long. Contact Kelly today to arrange an exclusive viewing.
