20 Minkara Street, Warana

BEACHSIDE RENOVATOR

It's the one we always get asked for and rarely have the pleasure of selling. There is no doubt that this valuable property is worth considering giving some serious consideration for a major renovation, however given the #4575 location it would be equally attractive to knock the residence down and build your dream home just 200m from the sandy shores of Warana beach.

The property features three bedrooms, open plan living and a generous back yard including a shed providing space for the ever important man cave or vehicle storage. The kitchen has been renovated and the property features low maintenance tiles throughout.

Down the road, land only allotments in the new hottest ticket in town 'Bokarina Beach' are now well in to the high \$500k's for a 400m2 block. An opportunity exists for one lucky buyer to secure this 555m2 beachside home at a price we believe will represent outstanding value.
