Unit 3, 11 Kenewin Ave, Maroochydore

## NEAR NEW 3 BEDROOM TOWNHOUSE WITH POOL

Just on 18 months old this exclusive Maroochydore townhouse was built without a budget in mind and the quality and finishes are those of a multi million dollar home. Located in a high density CBD location the developer chose to under develop the site and build just the 3 townhouses to provide maximum security and privacy rather than maximize their profit. The product is one to be proud of and the first resale in Oceans 11 will be snapped up very quickly by the buyer with a keen eye for high quality at a price way below replacement cost.

The residence spans over 151m<sup>2</sup>, and with zero wasted space, every room has a purpose and a platform for exciting low maintenance living. The clever design maximises outdoor spaces including an exclusive use pool on the ground level and extensive outdoor decking area for entertaining. There is also sheltered alfresco dining available in the upstairs balcony area which is accessible from the dining room sliding door.

Features to be admired include:

- High end kitchen finished with 40mm stone benchtop plus waterfall edge. Top of the range appliances
- Master bedroom with en suite and WIR on ground level, additional two bedrooms upstairs
- Warm timber flooring ...not the fake stuff ... not the planking ... real timber floors

The 'new' Maroochydore central is the hottest ticket in town. The recent redevelopment of the Ocean Street Maroochydore precinct has not only won the hearts of our locals and tourists alike it has given confidence to National retailers like David Jones to construct a new store in the already successful shopping precinct known as the Riverwalk Sunshine Plaza. The spin off for nearby residents is obvious. In the blink of an eye lifestyle changes are evident with the street scape taking on a whole new look. But equally important the real estate buzz around CBD properties, although in its infant stage is already noticeable.
