8 Jeune Dr, Buderim

JUST LISTED – BRING THE FAMILY!

'Jeune' – It's French for young

Located on the treasured North Eastern side of Buderim on a mostly flat and super private 799m2 allotment; on offer here is a four bedroom plus study home boasting a whopping 312m2 under roof!

It's a home that offers loads of options, with up to four separate internal living zones and a floor plan that allows for potential dual living if desired.

Outside of that this is a property that will appeal to many just as it is, with a family friendly floor plan and ample extra features and fittings to make it uniquely appealing.

A separate master bedroom is always a nicety, in this case Mum and Dads sleeping pad is that separate from the kids rooms you'll consider calling an Uber at times. Rest assured though, they'll hear nothing... Offering direct access outside, ample robe space and roomy ensuite.

In total there are four purpose built bedrooms, while a separate home office allows a work from home arrangement or the perfect spot for the kids to do their homework (or play computer games). Those that find most homes on the market are one room short of their requirements should definitely take a look at this. In a pinch it's a fifth bedroom.

Outside, the kids and family pet will appreciate the space in the yard out front and back, where there's ample room to set up the swing set or trampoline, play street cricket or head up the road to Irene Sheen reserve or ride to the kiddies park just up the street.
