

15 Bronzewing Ave, Buderim

## BUDERIM'S HIDDEN GEM

A secret location that is just as close to the beach as it is to Buderim, Bronzewing Avenue is a tightly held well kept Buderim secret. Number 15 Bronzewing Avenue was built 30 years ago and has been owned by the original owner ever since. A lifetime of fastidious care has ensured that this master built home is as good today as it was when it was built. The owner originally commissioned a leading designer to ensure the residence retained architectural appeal from generation to generation through clever and consistent use of straight lines and eye catching roof pitches. Whilst the home is immaculate it will not surprise us if the very first thing the new buyer does is 'rip up' the near new carpet, and reveal the handpicked hardwood timber flooring that hides below. The open plan living area with soaring vaulted ceilings would be a show stopper if the timber floors were on display. Call Indiana or Justin to discuss this rare find, records show only 4 sales in the past 5 years in this street.
