This superb family home is a rare find on the Sunshine Coast. The house draws on traditional Queenslander homes but does not take on their typical form. The optimal orientation enables a single cladding system in parts, which exposes the wall bracing outside and inside, distinctive in a Clare Design home. Clare Design has been nationally and internationally acclaimed for such iconic subtropical buildings as the Gallery of Modern Art, Brisbane, Rainbow Shores housing, Rainbow Beach (Qld), The Australian house of the year 1995, Hammond House, Cooran (Qld), Clare Residence, Buderim (Qld), and interstate: Refurbishment of Circular Quay wharves, Sydney (NSW), Library at The Dock, Melbourne (Vic) to name just a few.

The owner has issued clear instructions. This rare property must be sold, and offers are welcome. Book this property in for Saturday; you'll be glad you did.
