INCREDIBLY VERSATILE FAMILY ENTERTAINER

4 2 2 576m2

This four bedroom home with ducted air conditioning is nestled in a quiet cul-de-sac in the popular Woodside Precinct of North Lakes. With 4 bedrooms (the main has an ensuite with a double-headed shower and a huge walk-in wardrobe), main bathroom, another separate toilet, 3 separate living areas and high ceilings throughout, it is just perfect for large families.

The heart of this home is the kitchen and main living area. The well-appointed centrally located kitchen has heaps of bench space, breakfast bar, walk-in pantry and quality stainless steel appliances. This spacious area has beautiful timber flooring which looks stunning AND is low maintenance while the large windows and doors bring the outdoors in to create a light and airy atmosphere. The timber deck is perfect for barbecues with family and friends and overlooks the manicured back yard with heaps of room for the kids, animals and a pool or you could even grow your own veggies.

There's also a large formal lounge while the 3rd living area adjoins 2 bedrooms and the main bathroom. The location of the fourth large bedroom (with double wardrobes) at the front of the home makes an ideal alternative use for it as a study.
