

OFF GRID UNIQUE 3 BRM HOME ON 41 ACRES WITH CREEK

This Home is a blank canvas in desperate need for some TLC to restore it to its former beauty.

If you are looking for a block with that something special and endless potential, then these 41 acres (16.62ha) with a 3 bedroom home and a lovely permanent creek could be just what you are looking for.

Off the kitchen is a large room which incorporates the dining room, lounge and office. Bedrooms are a good size and the main bedroom has a massive walk in wardrobe and ensuite. Ceiling fans throughout, the main bathroom and toilet are combined.

It is not until you take a walk through the back boundary that you realize how lovely this block is. Leaf littered paths take you down to an attractive rocky creek adorned with Cabbage Palms. There is another creek which runs through the back right hand corner of the block.

Besides the creeks, there is a dam from where water is pumped to irrigate gardens and for outdoor use.

Only 5km to the nearest primary school in Lowmead, school buses are available for both primary and high school children. Rubbish bin collection is available.
