3, 12 Turner Street, Maroochydore

AUCTION CANCELLED - UNDER CONTRACT

Designed and built in 2008 by Master Builder C J Ritson, the complex known as 'Twelve @ 12' was way ahead of it's time and remains a leading residential development. It is a secure, gated, boutique development located on the fringe of the Maroochydore CBD. With just twelve exclusive townhouses on the allotment, the development was master planned to provide each owner with their own open private space making it feel like more of a house than 'townhouse'.

Internally the property offers three spacious bedrooms with a generous en-suite to the master. A clever design allows for the open plan living and dining to continue out on to the alfresco area. This space is ideal for entertaining and has been lovingly cared for and maintained. A remote garage allows for secure parking with additional visitor spots for guests at the front of the complex.

With similar products approaching and exceeding \$500,000 in the surrounding streets we are happy to have this valuable listing for auction and welcome enquiries in the early 400's. The original owner offers a hot product at a hot price.
