LUXURY COASTAL LIVING AT ITS BEST

Prepare to be wowed from the minute you enter this stunning property. Showcasing expansive luxury living both indoors and out, this stunning home is an entertainers dream and offers the very best of coastal lifestyle living.

Constructed and finished to the highest standard throughout, features include high ceilings and earthy sophisticated finishes of timber & stone with walls of glass that open back to bring the outdoors in and merge with the surrounds.

With a multitude of living and entertaining zones both inside and out, the focus is on comfort and lifestyle. Four spacious living areas inside, includes a separate cinema room. The outdoor entertaining pavilion is linked to indoor living and entertaining by opening back a wall of glass to merge seamlessly with the surrounds. All overlooks the stunning resort pool with feature waterfalls framed by the bush backdrop. Quite simply this is coastal lifestyle living at its best.

The gourmet kitchen is equally impressive and is finished with premium luxury appliances, (including rotisserie oven), waterfall stone benchtops and Butlers Kitchen. The elegant dining room overlooks the pool separated by a wall of glass and is the perfect place to entertain.

A stunning cantilever stair case links the two levels where upstairs you

will find four spacious bedrooms. The spacious master suite features a luxurious ensuite with large separate shower and stunning stone cabinets. The same theme carries through to the main bathroom which is also finished to the highest standard. A second master bedroom suite is enormous and opens to a private balcony. The remaining bedrooms are also spacious, all include airconditioning and three of the four bedrooms feature walk in wardrobes.

There is also an upstairs living area creating a peaceful retreat away from the hub of the home. Data, Internet and HDMI cabling has been connected to all bedrooms and living areas.

Other luxury finishes include 1.5 kw of solar panels and solar hot water to reduce power output, 15,000 litre underground water tank, home network pro and security alarm system and ducted airconditioning throughout. Quite simply everything has been covered here, including the oversized garage (2 and a half car width) allowing for generous extra storage as well as shed in the rear yard.

The location is perfect, quiet culdesac with no rear neighbours just a short stroll to Twin waters Golf Course, local shops, cafes and restaurant. With the beach just a few minutes away there is no reason for not dipping your toes in the surf every day if you wish.

Homes of this quality rarely become available and with serious sellers interested buyers should not delay an inspection on this stunning home.
